## November Newsletter 2022

### November Birthdays

Brooks B -8th

Cole C- 22nd

Cloe S- 29th

Camille T- 30th

We hope you all have a  
very Happy Birthday!

With the weather changing to a brisk cold temperature almost daily.....it is very important to send your child to MLEDP with some type of jacket! Please make sure your child's name is written on it somewhere! It is almost impossible for us to be able to keep track of that many jackets. We do go outside daily, so I do not want anyone to be cold! BRRRRR

Also, since the weather is changing, please check your child's extra change of clothes in his/her backpack to make sure they are weather appropriate. An extra pair of socks is always helpful too!

### November Classroom Themes

#### The week of...

November 7 Construction Junction

November 14 Community Service

November 21 We Are Thankful!

November 28 Alphabet Mix Up

### Service Project

This year we have partnered with Bethany's Birthdays again for our MLEDP Kindergarten Care Service Project. We had huge success with it last year and the children loved it! It is a great organization that works hard to put birthday cake supplies into homes of the less fortunate to ensure all children are able to celebrate their birthday with a cake! We will be asking for specific donations during the week of November 14-18. The children will work hard putting the birthday bags together for the organization to pick up! Look out for a separate flyer with detailed information!

### LONG DAYS FOR NOVEMBER

11/8 BLACK & WHITE/NEWS

11/17 KINDERGARTEN ONLY

11/18 "PAWS" ITIVELEY PURPLE/  
ANIMALS & THE COLOR PURPLE

---

### CENTER CLOSED DAYS

THE CENTER WILL BE  
CLOSED 11/23-11/25.

PLEASE MAKE OTHER  
ARRANGEMENTS FOR YOUR  
CHILDREN ON THESE DAYS!

---

### Family Recipes...

Each year I always put together a classroom cookbook of all the children's favorite recipes from home. Be thinking with your child which recipe you want to submit for this years cookbook over the holidays. **MORE INFORMATION TO COME!**

**Special Thanks to Turners Dairy for coming into our classroom and presenting a program called....Cows in the Classroom for the children. Everyone loved learning all about the cows, how to make milk, and the farm! She gave all the children a cow pencil and some coloring sheets before she left!**
