# MLEDP Newsletter

Kindergarten Care @ Hoover Elementary School

## April Showers Brings May Flowers

**March 2023 was a busy month at Kindergarten Care!**

We read a lot about that crazy cat from Dr Seuss, we learned how to country line dance, made giant messes during color explosion week, making our own crayons out of old broken ones, we dipped pretzels and graham crackers into colored chocolates, to take home to share with our families. Then we went on some magical adventures with Mrs Frizzle on the Magic School Bus!

4/24/23 Save Our Planet/ Earth Week

## Point Park Update

The children are really enjoying the lessons on emotions, that the Student Teachers from Point Park are doing with the children on Wednesday mornings. They look forward to their visits each week and give their undivided attention, kindness and full cooperation while they are here teaching. It is a remarkable program for all involved. We are grateful to have them partner with us each year!

## AT HOME EXPLORATION.....

### END OF THE YEAR CLASSROOM COOKBOOK!

YOU WILL NEED: 1 FAMILY RECIPE

**Directions:** Look through your family cookbooks over Spring Break and find one of your child's favorite recipes. You may either print out a copy, send it on a recipe card or a piece of paper, or simply email it to me at [kchoover@mledp.org](mailto:kchoover@mledp.org). Please have your child illustrate the recipe to add some color and their personal touch. Once I receive everyone's by the end of April, I will put together a digital classroom cookbook of the compiled recipes for you all to have for years to come!

I look forward to seeing all of the children's favorite homemade traditional meals.
